

REMARKS

A corrected section of the Amendment filed March 23, 2007 is above. This claim listing is believed to obviate issues of compliance raised in the May 30, 2007 Notice.

Applicants respectfully submit that the application is now in condition for allowance and request prompt issuance of a Notice of Allowance indicating such. Should the Examiner believe that an interview could put this application in even better condition for allowance, Applicants invite her to contact the undersigned at 908-231-3776.

Respectfully submitted,
